

SAMPLE LABEL & LOCATION

LABELLING REQUIREMENTS

The Label shown shall be permanently affixed at a conspicuous location on the device and be readily visible to the user at the time of purchase. The FCC ID is readily visible to the purchaser at the time of purchase because the phone will be marketed without the battery installed.

Sample label	 The sample label is a dark rectangular box with a red border. It contains the following text: 'Bluetooth USB Adapter' in large white font at the top; 'Model: TALUS' and 'FCC ID: PROTALUS2' in white font below it; a small circular logo with a stylized 'E' and a square logo with an 'R' followed by 'XXX-XXXXXX' in white font; 'SystemBase Co.,Ltd.' in white font at the top right; and 'Made in Korea' in white font at the bottom right.
Label location	 The diagram shows a grey, elongated device with a white rectangular label on its left side. A red arrow points from the label on the device to the sample label in the row above. The text 'Label Location' is written in red at the bottom right of the diagram.

- The FCC label shown is representative of the label that will appear on the radio when in production. Other information may also be included on this label.
- The device is so small that it is not practicable to place the statement specified under 15.19 statement request, the information required by this paragraph shall be placed in a prominent location in the user's manual.
