Statement and explanations

The host WIFI01 (FCC ID: **PS4WIFI01**) is a new product with one certified module ESP32-C3-MINI-1 (Module ID: 2AC7Z-ESPC3MINI1; Grant Date: 06/16/2021). The referenced certified module report number is: R2103A0270-R1V2.

The ESP32-C3-MINI-1 is a single-module solution integrated into the host device. The certified module was implemented in full compliance with the module grantee's integration instructions, and no hardware or software modifications were made that would affect RF performance. Huarui 7Layers High Technology (Suzhou) Co., Ltd. performed SAR testing for the host device, as well as re-testing of AC power conducted emissions and radiated emissions, to confirm continued compliance. Please refer to the corresponding laboratory test reports for details.

Consequently, Radio test data retrieved from the initial application FCC ID: 2AC7Z-ESPC3MINI1 can be re-used for the FCC ID: **PS4WIFI01**.

Spot check test data are described as below:

FCC Rule Part	Frequency Band	Re-test items
FCC part 15.247	2412-2462MHz for 11b/g/n(HT20/40) 2402-2480MHz for BLE	AC Power Conducted Emission Radiated Emissions

Should you have any question or comment regarding this matter, please have my best attention.

Sincerely yours,
