Lighting Facts

Brightness: 800 lumens

Estimated Yearly Energy Cost: \$1.14

Energy Star Rating: 100% (100% efficient)

Life: 25,000 hours (25 years)

Light Appearance: Warm White

Energy Used: 8.5 Watts

Provides nearly the same light output as a 60-watt incandescent bulb (800 lumens vs. 840 lumens).

Limited Warranty: Guaranteed for last 3 years based on rated life of 3 hours use per day at 120V. For warranty information please visit www.ge.com/warranty or contact GE Lighting, a Savant company, Product Services Dept., 1075 Maple Rd., Cleveland OH 44122 to request a free copy of the warranty terms.

CAUTION

Not for use with emergency exit fixtures or emergency exit lights. Not for use with dimmers, electronic timers, or photocells. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Any changes or modifications not expressly approved by the manufacturer could void the user's authority to operate the equipment.

See inside panel for more information.
Minimum starting temperature -20 °C.

Soft White Direct Connect Smart Bulb

Simple Setup Without A Hub

Soft Warm Light

Voice* & Out-of-Home Control

works with Hey Google

SmartThings

Brightness: 800 lumens

Estimated Energy Cost: \$1.14 per year

LED | A19 Dimmable with app

1 BULB

Controllable light for every room.

Direct Connect

The smart light connects directly to your Wi-Fi router providing voice control through voice assistants (sold separately) and control away from home – no hub or bridge needed.

Set Schedules

Avoid coming home to a dark house by setting your light to turn on automatically. Schedule your light to turn off during the day to save energy cost.

Simple Setup

Works right out of the box using your Wi-Fi and the CYNQ or the Google Home app**

**Pairing with other CYNQ or C by GE devices requires setup using the CYNQ app

A family of smart products that work together in one app.

CYNQ enables smart home control, including voice* and away from home

Comfort. Control. Confidence.

Easy to set up and connects to other CYNQ and C by GE devices. CYNQ smart home products help elevate the comfort, control and confidence of your home.
