Whole Room Control

Install C by GE Smart Lights and Plug and control all your lights from any switch. Pair with Smart Switches to create 3-way switch connections.

On/Off and Dimming with Switch Control

Add and program smart control to C by GE Smart Lights and Plug, allowing traditional switch control to your smart light.

Add a Switch Anywhere

Enable switch control next to your bed, couch or anywhere without wires or an existing electrical box.

WARNING

Caution: Item Hazard: Do not insert or swallow coin cell battery. This remote control contains a coin cell battery. If the coin cell battery is swallowed or ingested, it can cause internal injury. If you or your child has swallowed a coin cell battery, call your doctor immediately. Keep coin cell batteries away from children. If the battery compartment does not close securely, stop use immediately. Do not attempt to recharge from children. If you think coin cell batteries have been swallowed or placed inside any part of the body, seek immediate medical attention.
