EUT – PCB Bottom Chip View

This image shows the bottom view of a green printed circuit board (PCB) populated with various electronic components. Two prominent integrated circuits (chips) are visible, both featuring the Realtek (RTL) logo. The top chip is labeled RTL8763BF, J6H78G1, and GJ29. The bottom chip is labeled 8752CJF, 15K01H1, and GJ25. The PCB is densely packed with numerous surface-mount components, including resistors, capacitors, and a small LED labeled LED3. A component labeled 00P1 is also visible near the bottom chip. The PCB traces and component footprints are clearly visible.
