SUBJECT: Class II Permissive Change FCC ID: PWO460006

We are requesting a Class II Permissive change for our Model 460006 Signal Booster to be filed with the FCC.

Changes to the subject includes an additional case design. No electrical, software or other changes were made. These changes will be in effect for all units, including those previously produced.

In support of the above, the following documents have been submitted:

- External Photos Exhibit
- Label Placement Exhibit
- Alternative Label Placement Request

Sincerely,

A handwritten signature in black ink, appearing to read 'Patrick Cook', is written over a light blue horizontal line.
