Subject: Data Confidentiality
To Whom It May Concern:

Wilson Electronics, Inc. respectfully requests confidentiality of certain documentation provided with the submission of our model 460045 Signal Booster under FCC ID: PWO460045 in accordance with sections 0.457 and 0.459 of the Commission's regulations.

We request that the following documents be kept in long-term confidentiality:

1. Schematic Diagram & Parts List
2. Operational Description
3. Block Diagram

The above material is confidential and contains proprietary trade secrets and technical data which must be kept from competitors. Public access to these items could result in duplication of our circuitry and/or techniques thereby reducing our competitive advantage and causing us severe damage.

We request that the following documents be kept in short-term confidentiality until April 15, 2019:

1. Exterior Images
2. Test Setup Photos
3. User Manual
4. Interior Images

The above material is confidential and contains proprietary trade secrets which must be kept from competitors until public marketing is made available. Public access to these items could result in duplication of our circuitry and/or techniques thereby reducing our competitive advantage and causing us severe damage.

Sincerely,

A handwritten signature in black ink that reads 'Erin Elder' in a cursive script.
