

## CLASS II PERMISSIVE CHANGE OF PRESENTLY AUTHORIZED EQUIPMENT

Class II permissive change are as follows:

Applicant's Name : **Wellink Corporation**  
Applicant's FCC Registration Number : **0009159617**  
Applicant's Address : **201,A-Dong, PundangTechnopark, 150, YatapDong,  
Pundang-Gu, Sunghnam-Si, Kyungki-Do, Korea**  
Manufacturer's Name : **Wellink Corporation**  
Manufacturer's Address : **201,A-Dong, PundangTechnopark, 150, YatapDong,  
Pundang-Gu, Sunghnam-Si, Kyungki-Do, Korea**

Grantee Code : **PWV**  
FCC ID : **PWVW202ER**  
Product Name : **ADSL Modem**  
Model Number(s) : **W202ER & W202ES & W202 &  
W708EUR & W708EU & W708**

GRANT of Certification : **08 / 13 / 2003**  
Product Options : **Addition & alteration of part(component) for  
authorized equipment.**

### A. Content of class II permissive change

- In comparison with to origin authorized equipment  
as below ;
  - Addition & alteration of part (component)
