

Keep these instructions for future reference: they contain important information.

IMPORTANT: Please read all "Consumer Information" before operating your vehicle.

CAUTION:
ELECTRICALLY OPERATED PRODUCT

Not recommended for children under 8 years of age. As with all electric products, precautions should be observed during handling and use to prevent electric shock.

ADULT SUPERVISION REQUIRED.

Surfaces may become hot and cause burns if electronics get wet. Do not operate vehicle through water or snow.

Consumer Information:

Note to Adults: to ensure that the child's play is both safe and fun, please review all operating instructions and safety rules with your child.

Safety Tips

- NEVER drive your vehicle on streets! They're for real cars!
- DO NOT pick up vehicle while in motion.
- Keep fingers, hair and loose clothing away from tires and the wheel hubs while the vehicle is switched ON.
- Adult supervision is recommended when this vehicle is being operated.
- To avoid accidental operation, remove all batteries when not in use.

Battery Safety Information

- Insure that battery polarity is correct.
- Use only batteries of the type recommended (or equivalent).
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.
- Remove used-up batteries immediately. Remove batteries if vehicle will not be used for a long period of time to prevent possible leakage.
- Do not recharge non-rechargeable batteries.
- Do not short-circuit terminals.
- Dispose of batteries safely. Do not dispose of batteries (or products containing non-replaceable batteries) in fire, as batteries may explode or leak.

Battery Performance Note:

- When using alkaline batteries, battery life may vary depending on battery brand.

COMPLIANCE WITH FCC REGULATIONS (VALID IN U.S. ONLY) THIS DEVICE COMPLIES WITH PART 15 FCC RULES. OPERATION OF THIS DEVICE IS SUBJECT TO THE FOLLOWING TWO CONDITIONS:

1. THIS DEVICE MAY NOT CAUSE HARMFUL INTERFERENCE.
2. THIS DEVICE MUST ACCEPT ANY HARMFUL INTERFERENCE THAT MAY CAUSE UNDESIRABLE OPERATION.

This device generates and uses radio frequency energy and if not used properly may cause interference to radio and television reception. It has been tested and found to comply with the limits set by the FCC which are designed to provide reasonable protection against such interference.

FCC Warning:

The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications to this equipment. Such change or modifications could void the User's authority to operate the equipment.

Antenna for Transmitter Controller

BEFORE BATTERY INSTALLATION

Your new R/C is designed to work with standard 6 (six) "AA" alkaline batteries, sold separately.
Controller is designed to work with a 9-volt alkaline battery, sold separately.

INSTALLING BATTERIES IN THE R/C

6 (six) "AA" Alkaline batteries (Not included)

1. Push the ON/OFF to "OFF" position on vehicle.
2. Using a Phillips screwdriver (not included), to remove the battery compartment door underneath the vehicle (See Diagram 1)
3. Insert the 6 "AA" alkaline, with polarity (+/-) as shown inside battery compartment.
4. Replace the battery compartment door and use Phillips screwdriver to lock the compartment door.

INSTALLING CONTROLLER –

9 VOLT BATTERY

1 (one) 9V Alkaline battery (Not Included)

1. Open the battery cover as shown (See Diagram 2)
2. Install one 9V battery with polarity (+/-) as shown inside battery compartment.
3. Replace battery cover.

QUICK TIPS

- When your vehicle starts to lose power, it may lose functions or performance. It's time for fresh batteries. Your vehicle's running time may change depending on your driving style.
- Radio interference can make your vehicle run badly.

Interference can be caused by other R/C vehicles running on the same frequency; electrical wires, large buildings; or CB radios. Try to stay away from these!

- Point your transmitter controller antenna up – not down toward your vehicle. If your vehicle gets too far away, it won't work properly.
- Don't drive your vehicle in sand or through water or snow.
- Don't store your vehicle near heat or in direct sunlight. Always turn switches OFF and remove all batteries for storage.
