Gentlemen,

KIRK telecom A/S hereby requests confidentiality of Electrical Schematics(EC), Parts List(HA), Printed board drawings(HD), Test Specification(QT) and Electrical Description(ED) to be marked confidential for the subject application

These documents contain detailed system and equipment description and related information about the product which KIRK telecom A/S considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, KIRK telecom A/S considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,
