

FCC ID: PXAS500-A8-1G9 Wireless Server 500-A8-1.9GHz
IC: 4604A-S50081G9

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The term "IC:" before the certification/registration number only signifies that the Industry Canada technical specifications were met.

CAUTION:
Privacy of communication may not be ensured when using this phone
