RE: FCC ID: PY3ME101

Attention: Elton Chen

I have a few comments on this Application.

1. Please note that the device appears to be large enough to contain a label incorporating the 2-condition statement of 19.19. Placing the statement in the manual is not sufficient. Please correct the FCC ID label to include this statement or please provide a separate label for this statement.

Dennis Ward

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
