Access to the required information on the e-label

1. Users are able to access the information in no more than three steps in a device's menu. The actual steps are:

From the home screen :

- a) Click on Settings
- b) Click on About Phone
- c) Click Certificate

No special access codes or permissions are required to go through the above steps beyond entering a user defined password to protect against unauthorized access to the device.

2. The information is stored on the device, no special accessories or supplemental plug-ins (e.g., a SIM/USIM card) are required to access the information.

3. Users are provided specific instructions on how to access the information. The information is provided on user guide.
