Class II Permissive Change Request - FCC ID: Q23104001

Dear Application Examiner,

Infineon Technologies of München, Germany, are seeking for a Class II Permissive Change for their Bluetooth module "**ROK 104001**" (modular transmitter).

Infineon would like to add an additional antenna to the existing grant. Please find further information in the submitted documentation.

Please contact us if you have any additional questions.

Best Regards
