Subject: Request to dismiss of two applications.

Model 1: AUHS-3190-AM

FCC ID: Q48-AUHS-3190-AM

Model 2: AUVS-3190-DM

FCC ID: Q48-AUVS-3190-DM\

To Whom It May Concern:

We would like to request the dismissal of two applications (both are UWB - Ultra Wideband Transmitter) about FCC ID: Q48-AUHS-3190-AM and FCC ID: Q48-AUVS-3190-DM which have submitted in September 30 2013 in accordance with KDB Publication 628591.

According to the revised TCB EXCLUSION LIST of KDB Publication 628591 from October 30 2013, UWB moved from TCB Exclusion List to PBA List. Consequentially, those two applications can process now via a Telecommunications certification body (TCB) as PBA process.

Please close the existing those applications that we filed under both FCC ID's as soon as possible. Once the applications are closed, TCB will upload the files for PB Review.

Sincerely,

Hyun Soo Kim / Senior engineer
