

Applicant: Kirisun Electronics (Shenzhen) Co., Ltd.

FCC ID: Q5EPT220802

The information for antenna of PT2208(2)

- 1) Materials : brass
- 2) Electrical characteristics :
 - a) resonate frequency : 150-174MHz
 - b) impedance :50ohm
 - c) radiation pattern : omni direction
 - d) polarization : vertical
 - e) standing wave ratio (s.w.r.) : less than 2.0
 - f) insulation resistance : 500m ohm at DC 500V
- 3) Mechanical characteristics :
Vertical direction :2.0 kgs
Rotation direction :2.0kgcm
