Dear Sir or Madam;

RE: Acknowledgement of FCC Certification

Norsat International Inc, is voluntarily requesting FCC Certification of our equipment 5200-KUAA-ID. Norsat International Inc. understands that this equipment does not fall under FCC 25.129 or 25.149(c) and that Equipment Authorization Certification is voluntary. Furthermore, Norsat International Inc., understands that further information beyond the Certification process may be required at the time of licensing as per 25.130.

Sincerely,

Michael Schefter, P. Eng
Director of Engineering
Norsat International Inc.
