

FCC ID: Q6KAT140317A  
IC ID: 5043A-AT140317A

## LABEL INFORMATION

The product label is located underneath the removable battery.

This radio product is intended to be used in a controlled environment, i.e. by trained commercial customers only. It is not offered to the general public.

Product compliance can be easily verified by removing the battery from the holder, as shown above.
