

Photos of Radiation Measuring Setup

x-axis

A black mobile phone is shown lying horizontally on a light-colored, textured surface. The phone's screen is dark, and a white rectangular label is placed over it. The label contains the text "RF relation" on the top line and "Sample" on the bottom line, both written in a cursive script. The phone has a standard keypad with numbers 1-9, *, and 0, along with function keys like "Call", "End / R", "M", and "P". The phone is oriented with its top to the left.
