

Brand Name: Linksys Model No.: EA8300, EA8250

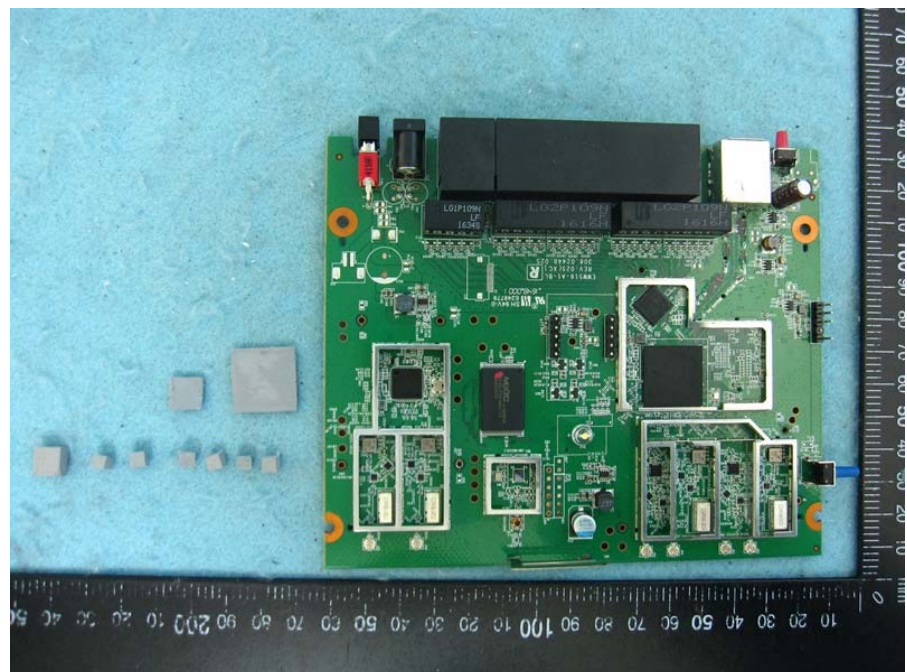

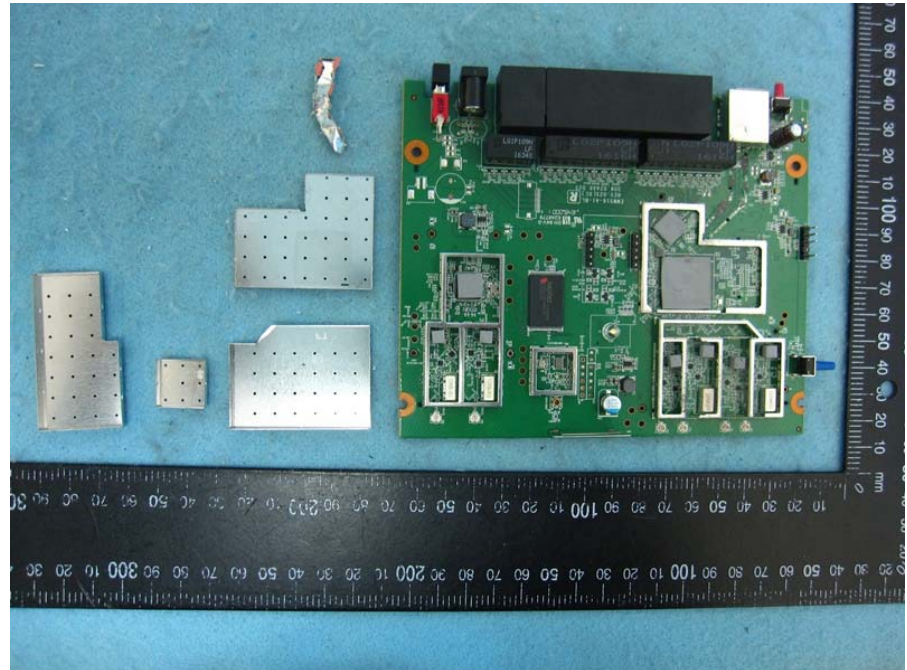

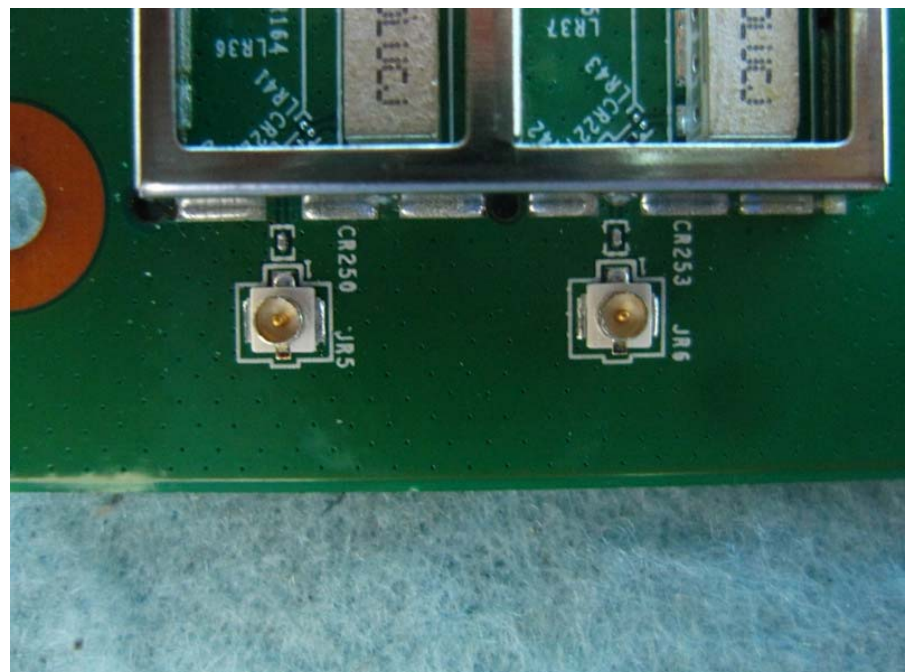

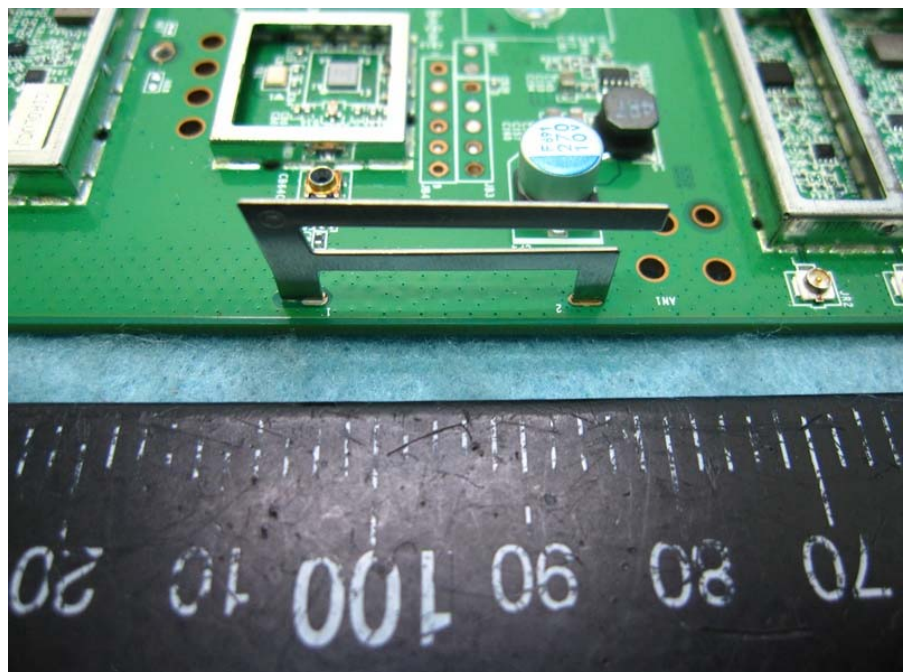

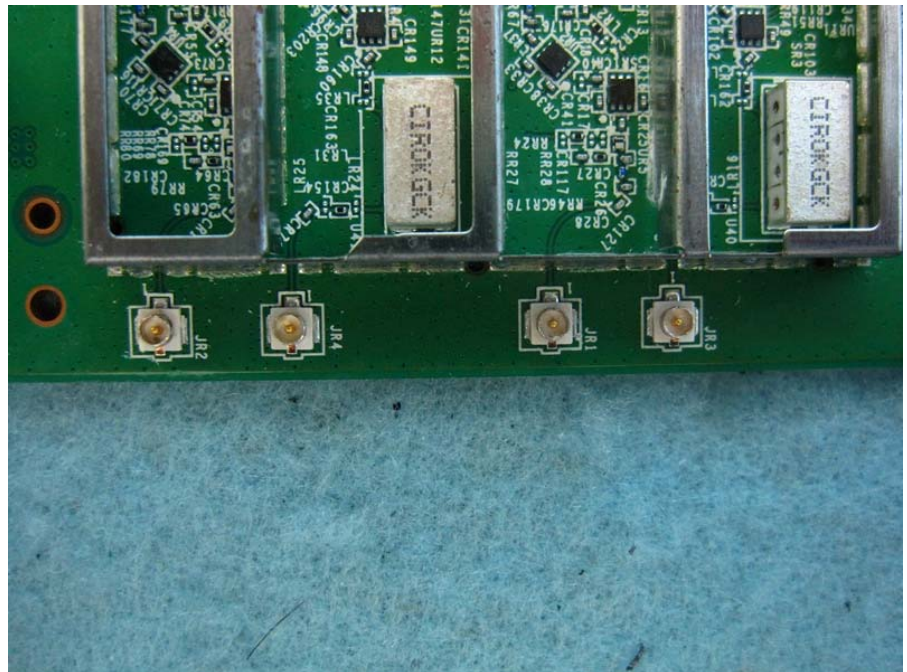

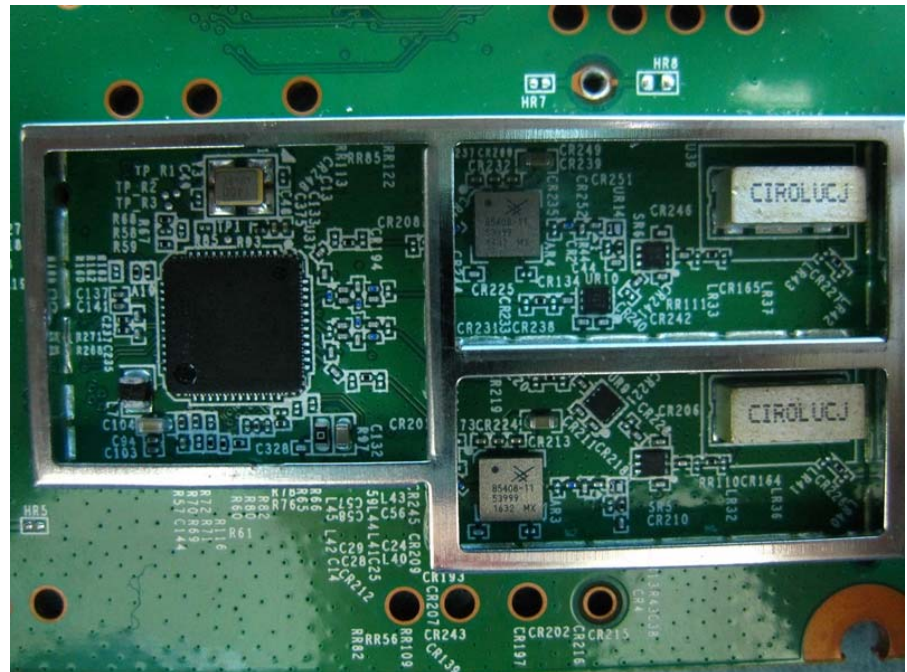

A close-up photograph of a green printed circuit board (PCB) featuring a central component labeled 'T400' and 'UV9E'. The component is a square, silver-colored package with a yellow border, mounted on a square pad. Surrounding it are various other components and labels: 'R113', 'C133U3', 'C375', 'TP1', 'R93', 'R67', 'R3', 'R2', 'R1', and 'TP'. The PCB has white silkscreen markings and several small, dark components.
