Hello

I'm sorry, but we require that a new application (both portions, in this case) with the correct ID be submitted/granted and a cover letter exhibit be uploaded (to both portions) requesting a dismissal due to incorrect ID.

Let me know when the cover letter(s) have been uploaded, and I will dismiss the apps with the incorrect ID.

Thanks,

Bette Taube

Bette,

Are you able to change two FCC IDs for me? I should have written Q87-WMCE54AG instead of Q87-WMCE54A. I just need a "G" added to the end of the ID.

Thanks,

Bill
