Remote Controlled

Fart Machine™ **No. 2**

Congratulations To Us! The funniest gag product ever produced just got better! We proudly present The **NEW** Remote Controlled Fart Machine™ No. 2 (pun intended). Armed with this new and improved device, you can embarrass your victims whenever the mood strikes you with:

- More and better fart sounds.
- Increased operating distance.
- And best of all, with a new, patent pending "BOOM BOX TECHNOLOGY" design to make those booming fart sounds that you asked us for.

Use it anywhere . . . at parties, school, movies, office,
in a baby's diaper or in the Thanksgiving Turkey!

Directions:

1. Install a fresh 9 volt alkaline battery
2. Twist out Boom Box Feature
3. Hide Fart Machine™ No. 2
4. Press remote button to trigger sounds

To mount the Fart Machine™ No. 2 under a chair or table etc., apply double faced tape to back.

Caution: Do not apply tape to finished surfaces that may be damaged by the adhesive.

False activations may occur if strong radio signals are present.

Caution: Modifications made to this device are not authorized by T.J. Wisemen Inc. and may void the users authority to operate it.

**The Remote Controlled Fart Machine™ No. 2 operates on one (1) 9 volt battery (not included).
Remote Control includes battery**
