Re: SDR Certification

Company name: Aruba Networks, Inc.
FCC ID: Q9DAPIN0224225

Gentlemen,

In accordance with 0.459 of CFR 47, Aruba Networks, Inc. hereby requests confidentiality of following documents for the subject application:

- Electrical Schematics
- Block Diagram
- Theory of Operations - Operational Description
- SDR Security Description Guide - Aruba_Secure_Mobility_System_SDR
- Bill of Materials

These documents contain detailed system and equipment description and related information about the product which Aruba Networks considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, Aruba Networks considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

Signature
