The purpose of this memo is to describe the differences between the 120V Neptune S rovers. These are the 120V Neptune S rover part numbers:

- 0711-001-000 (US rover)
- 0711-004-000 (Canada rover)
- 0711-005-000 (Spanish rover)

The differences between these models are the language translations and labelling. There is no mechanical or electrical difference between these part numbers.
