To: Federal Communications Commission

FCC ID: QBQENERGYEYEIRO2

Dear Sir,

This is to confirm and explain the modification of our product submitted to apply for FCC Class II Permissive Change.

We have modified the antenna and circuit design. And after we re-investigated the all requirements of FCC rules, we found the result was still complying with the limitation.

Please kindly accept this Class II permissive Change. If you have any further questions about this modification, please contact us. Thank you in advance.

Best regards,
