Subject: Justification for requesting internal photos and installation manual confidentiality

Applicant: Redline Communications Inc.
Model: RDL-3211 XC
FCC ID: QC8-RDL3211XC

Dear Sir / Madam,

Redline Communications Inc. would like to request that internal photos and installation manual are held confidential and not available to public viewing.

The RDL-3211 XC, FCC ID: QC8-RDL3211XC will be sold to customers for highly confidential and secure industrial, military and public safety applications. We feel that this information is considered as sensitive and creates a vulnerability to customers deploying this product.

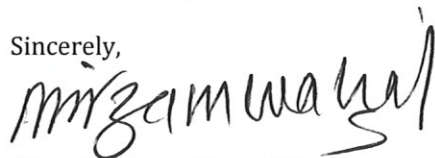

The above identified documents contain technical data that are customarily guarded from the general public and competitors.

RDL-3211 XC is installed on towers and not accessible to the public. It is installed and serviced by designated professional installers and technicians under NDA (Non-Disclosure Agreement). The sales of this equipment are made under NDA that restricts the disclosure of all proprietary information including internal photos.

The user guide contains proprietary information that is intended for professional installers and technicians obligated under NDA. The sales of this equipment are made under NDA that restricts disclosure of the information including user/installation guides.

This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. These sections authorize withholding from public inspection materials which would not customarily be released to the public.

Sincerely,

Mirza M Wahaj, Ph.D., P.Eng.
