Mr. Fujimoto,

In order for processing of this application (FCC ID: QCGPS90-17) to continue, the following issue(s) will have to be addressed:

- 1) The expository statement submitted does not describe the operation of the transmitter. Please submit an updated operational description.
- 2) Since the device is AC powered, please indicate compliance with 15.31(e).

The item(s) indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted.

Responses to this inquiry should be submitted on our electronic filing system, using the correspondence number QCGPS90-17.

If you have any questions, feel free to contact me.

Best regards,

Scott McCutchan
