

Rent a Q-bot today!

The Q-bot Virtual Queuing Device can:

- hold your place in cyber-space at major thrill ride lines,
- free you from standing in long ride lines,
- send you surprise coupons & messages,
- help plan your day,
- help find your friends,
- help you enjoy more attractions, shows & games.

FCC ID: QCX-QB916-200

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
