FCC Warning Statement

If the EUT is too small, the FCC statement could be presented in the user manual. Generally, appendix B contains one copy of user manual. The following is one sample of the FCC Statement:

“ This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.”
