RE: Certification Application
FCC ID: QG2AIR200

Pursuant to Sections 0.459 of the Commission's Rule, deister electronic GmbH, hereby requests confidential treatment of information accompanying this application as outlined below:

- **schematic diagrams**
- **block diagram**
- **technical description of operation**

The application contains technical information which deister electronic GmbH deems to be trade secrets and proprietary. If made public, the information might be used to the disadvantage of the applicant in the market place.

Thank you for your attention in this matter.

(Helmut Ruppert)
