

AGENCY NOTICE

Date 03 July 2002

To Whom It May Concern:

Changes or modifications not expressly approved by the manufacturer could void the user's authority to operate the equipment.

NISSAN mention the following statement on the user's manual in case we export vehicles antitheft systems to North America

"This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation".

Thank you for your attention to this matter.
