

## Appendix D. Photo documentation

| Table of contents |
|-------------------|
| Test Facility     |
| Test Positions    |
| Liquid depth      |

## Test Facility

Photo 1: Measurement System DASY5

## Test Positions

Photo 2: Front View

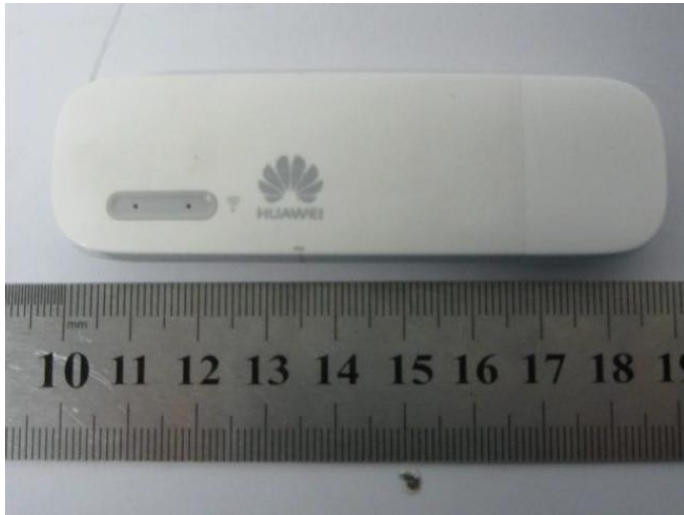

Photo 3: Back View

Photo 4: Front Side(5mm)

Photo 5: Back Side(5mm)

Photo 6: Left Side(5mm)

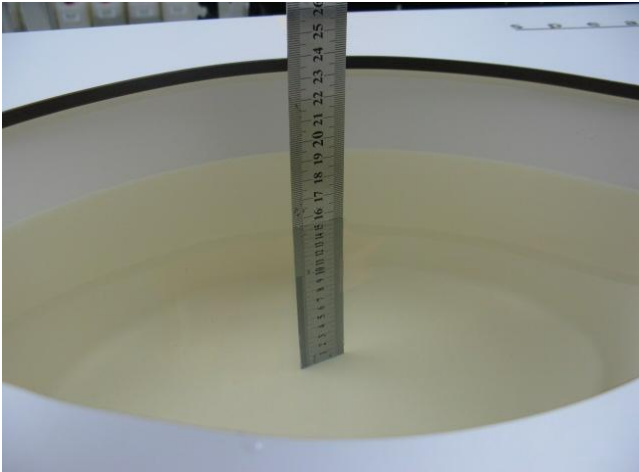

Photo 7: Right Side(5mm)

|                                                                                   |    |
|-----------------------------------------------------------------------------------|----|
| Photo 8: Tip Side(5mm)                                                            | NA |
|  | NA |

Liquid depth

|                                                                                    |                                                                                    |
|------------------------------------------------------------------------------------|------------------------------------------------------------------------------------|
| Photo 9:MSL 835MHz depth (15.2cm)                                                  | Photo 10:MSL 1900MHz depth (15.1cm)                                                |
|   |  |
| Photo 11: MSL 2450MHz depth (15.3cm)                                               | NA                                                                                 |
|  | NA                                                                                 |
