

Internal Photos of
HUAWEI G6-L33, G6-L33

The image displays two views of a Sony Xperia Z 4235DY128UL01B smartphone. The left view shows the back cover removed, revealing the internal battery compartment with a large, rectangular, silver-colored battery. The right view shows the front of the phone, which is black, with the battery and internal components visible. The battery is labeled with the Sony logo, model number HB3742A0BDC, and various safety and technical specifications. The phone is shown against a plain white background.
