Test Positions

Test Positions

Photo 1: Front View	Photo 2: Back View
 A black smartphone is shown from the front, lying flat on a white surface. A metal ruler is placed horizontally below the phone, showing measurements from 4 to 19 centimeters. The phone's screen is dark and reflects some light.	 A silver smartphone is shown from the back, lying flat on a white surface. A metal ruler is placed horizontally below the phone, showing measurements from 5 to 21 centimeters. The back of the phone is metallic and has a circular camera lens on the right side. The text "Not for Sale" is visible on the left side of the back.
Photo 3: HAC RF test photo	N/A
 A black smartphone is held in a testing fixture. The fixture has red horizontal bars at the top and black vertical supports on the sides. The phone is positioned vertically, and its screen is facing forward. The text "(N181) 8648859020032875" is visible at the bottom of the screen.	N/A
