

To whom it may concern:

We, Huawei Technologies Co., Ltd., states LUA-L21 is a Dual SIM product based on LUA-L03 , and the same RF PATH it has with LUA-L03 , no other RF PATH was added. Therefore, we do not test LUA-L21. All the GSM/WCDMA test data of RF refer to SYBH(Z-RF)027122015-2001 of QISLUA-L03, BTE to SYBH(Z-RF)027122015-2004, BT to SYBH(Z-RF)027122015-2003 and WLAN to SYBH(Z-RF)027122015-2002
