HUAWEI TECHNOLOGIES CO.,LTD.  
MADE IN CHINA

The image shows a product label for a HUAWEI ES1.1 device. It includes the model number ME909Tu-565, FCC ID QISME909TU-565, and indicates it is an LTE Module. A large CE mark with the number 0682 is prominently displayed. Below this, there are fields for IMEI, S/N, and P/N, with the first two having corresponding QR codes. The label also features a crossed-out trash can icon and a solid black bar. At the bottom, it identifies the manufacturer as HUAWEI TECHNOLOGIES CO.,LTD. and states 'MADE IN CHINA'.
