

(2) The maximum permission electric power : 1W

(3) Input impedance : 50Ω (nominal value)

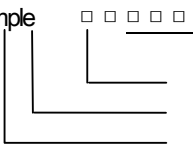

6 . Indications

Specify the matter shown below in a respectively legible place.

(1) Part Name : K D 0 2 9 6 1 - L 0 5 X (X = 2 or 3)

(2) manufacturer's Lot No. : Manufacture years and a manufacture number are depended below.

Example

Manufacture Number

Manufacture Month (Oct : X , Nov : Y , Dec. :

Z)

Manufacture Year (Last 1 digits of dominical year)
