Request for Withdrawing FCC ID

Date: Jan. 24th, 2017

We, Tera Tron GmbH, hereby apply for withdrawing FCC ID. The reason why we would like to withdraw the FCC ID is because of the marketing concern. Previously, we disable 5GHz of this device by software. We would like to re-open 5GHz for this device and use the same FCC ID. Please be advised that the hardware of this device is totally identical without any modification. We have not sold or delivered this product with this FCC ID anywhere (worldwide).

The information of the FCC ID:

FCC ID: QLXKRP

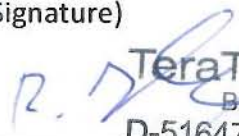

Granted date: 11/21/2016

Applicant: TeraTron GmbH

Thanks

Sincerely
