PO BOX 370
Newberry, FL 32669

To Whom It May Concern:

SUBJECT: CLASS 2 PERMISSIVE CHANGE TO FCC ID# QM9SPWMS-20.

APA Audio Group International is applying for a class 2 permissive change to FCC ID# QM9SPWMS-20. Changes to this body pack transmitter are as follows:

- a) The external case has been changed to a watertight ABS plastic case.
- b) The external connector has been changed to a waterproof 6-pin Hirose Connector.
- c) A lithium-ion rechargeable battery along with a charging circuit has been added internally to the transmitter.
- d) The external power switch has been changed to a membrane-type external power switch.

The model number WMS-21 will be given to this new transmitter. The original model WMS-20 will also continue to be marketed and sold under the same FCC ID#.

Attached in this file include the new schematic, block diagram, bill of materials, photographs and a letter requesting confidentiality on the schematic, block diagram and bill of materials.

Sincerely,

A handwritten signature in black ink, appearing to read "Rick Allerdings".

Rick Allerdings
President
APA Audio Group Int'l.
