Solder Board-Component View 4	 A photograph of a small electronic component, likely a microcontroller or sensor, mounted on a green printed circuit board (PCB). The component is positioned next to a black ruler with white markings, which shows measurements in millimeters. The component is oriented vertically, with its longer side parallel to the ruler. The background is a light blue textured surface.
Solder Board-Component View 5	 A photograph of the same electronic component from a different angle, showing the underside of the green PCB. The component is positioned next to a black ruler with white markings, which shows measurements in millimeters. The component is oriented horizontally, with its longer side parallel to the ruler. The background is a light blue textured surface.
