Dennis,

Our response for your comments as below:

For comment 1 to 5, revised lable, users manual and test report have been uploaked to ATCB website. For command 6, our client will glue the connector on the PCB board to meet the requirements of 15.407(d)

Please kindly review it.

Thanks and Best Regards

Hi Ellis / Alan
Attached are the ATCB comments on the above app.
Thanks
Dennis
