RE: Request for Change in ID

<SAGETEL(HONG KONG) CO.LIMITED> Original FCC ID: **2AT2L-HINTO-LITE**

Original Grant Date: 2022-6-9

MobiWire SAS New FCC ID: **QPN-F4**

To Whom It May Concern:

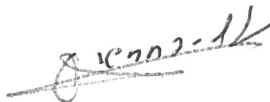

<MobiWire SAS> verifies the equipment bearing the modified identification does not differ from the original equipment, there are no differences in terms of both hardware and software. The only difference is branding: the original equipment carries <SAGETEL(HONG KONG) CO.LIMITED> brand, the equipment bearing the changed identification carries <MobiWire SAS> brand.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

If you required any additional information, please contact us.
