Re: Marketing and Professional Installation Required

FCC ID: QRF—TR-CPE-90

Marketing: The intended use is generally for industrial/commercial use and will not be sold to the general public. It will also not be sold through retail establishments or through mail order. It will be sold to OEM customers, qualified dealers and directly to commercial customers.

Professional Installation: Since the equipment is used in the above reference FCC ID has standard RF connectors, the system must be professionally installed. The installer shall be responsible for ensuring that the proper antenna is employed so that the limits specified in Part 15.247 (b) are not exceeded. It is intended for industry/commercial use.

A handwritten signature in black ink, appearing to read "James A. Tocher", is written over a light gray rectangular background.

Re: Request for Confidentiality

FCC ID: QRF-TR-CPE-90

In accordance with FCC Rules part 0.459, we hereby request confidential treatment for the above referenced Certification application. The items to be held in confidence are:

Confidential - PCB Layout_040528.pdf
Schematics for the Radio Card

Confidential - Circuit and Block Diagram_040610.pdf
Circuit Description and Block Diagram

Confidential - Part List_040528.pdf
BOM for the device

Confidential – TR-CPE90 - Internal Photographs.pdf
Interior photos of the unit.

The application contains technical information that which Tranzeo Wireless Technologies Inc. deem to be trade secrets and proprietary. If made public, the information might be used to the disadvantage of the applicant in the market place. Since the product is sealed using a one time sealant and contains no user serviceable parts, the Interior Photos are only of use to the applicant's competitors.

Thank you for your attention in this matter

James A. Tocher
President
