RE: 15.19 Statement (FCC ID: QSHAIRRBC)

TO WHOM IT MAY CONCERN

The statement:

"This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation"

Is not placed in the engraved label of the equipment due to the following reasons:

- Type label is too small (No room for this writing).
- Required text is already included in the user guide

This statement is placed in a prominent location in the instruction manual.

Please contact me if there is any information you may need.
