Limited Power of Attorney

To whom it may concern,

Please be advised that the undersigned, **Brian Haas** of KLA Corporation ("KLA") is lawfully authorized to represent and act on behalf of the said company, whose registered address is One Technology Drive, Milpitas California 95035 and does hereby appoint, **Giampietro Bieli**, General Manager of KLA's SensArray Division, to act on behalf of KLA strictly as may be necessary in connection with the completion, submission, and execution of all documentation and fulfillment of all processes required by the Federal Communications Commission ("FCC") and in support of FCC registration and approval of SensArray products in compliance with all laws, directives, and regulations of the country where SensArray products are sold, including but not limited to, electromagnetic compatibility, equipment RF communication authorization, and product safety (the "SensArray Product Compliance Project").

The applicant further certifies that neither it nor any party named in this Limited Power of Attorney is subject to a denial of federal benefits that includes FCC benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. 862.

This Limited Power of Attorney is limited to the SensArray Product Compliance Project specifically set forth herein and shall not in any way be considered or construed as a general power of attorney. This power commences upon the date hereof and shall continue until revoked in writing by an authorized representative of KLA Corporation.

If there are any questions regarding this Limited Power of Attorney, please contact Brian Haas of KLA Corporation directly via email at brian.haas@kla-tencor.com or +1(408) 875-0488.

Sincerely,

A handwritten signature in blue ink, appearing to read "Brian L. Haas", is written over a light blue horizontal line.

Brian L. Haas, PhD
Vice-President, Central Engineering
KLA Corporation, Global Products Group
