The image shows the back of a white Samsung refrigerator. The central feature is a large, circular condenser coil with a spiral pattern. Surrounding the coil are various labels and markings:

- Top Center:** A red-bordered label with the text "FCCID: Q1WHP02001" and "IC: 7986A-WP02001". Above it, the text "SV 1A R-NZ" is visible.
- Top Right:** A label with "WP02 P51" and a circular logo with the number "10". Below these is the text "QWV ID: 24J995900002".
- Right Side:** A vertical label with the text "BSON TECHNOLOG", "LW500R1B1N14A1", "MALMSEBILBYN14A1", "DESIGN: 2016/08/17", "AC MASTER: 2016/08/17", and "AC MASTER: 2016/08/17".
- Bottom Right:** A label with the text "Complies with IEC Standards" and "DA104902".
- Bottom Center:** A label with a crossed-out "X" symbol.
- Left Side:** A label with the text "CE" and a circular logo with the number "10".
