

Appendix 2. FCC ID Label design and location

Product Label Sample with FCC ID Label information

Following is a sample copy of the label that will be placed on the rear cabinet of the product.

The FCC identifier is marked in the product label.

The labelling requirement according to section 15.19 and information to user according to section 15.21 and 15.105 are described in a prominent location of the user manual (page 5)

Label Location

The label shown below shall be permanently affixed at a conspicuous location on the device and be readily visible to the user at the time purchase. (Labeling requirements per 2.925)
