Dear Timothy,

Thanks for the comments also for your patience to me.

Please see the explanation below as per your review comments:

- 1) Please find the revised Technical description as file attached for your reference.
- 2, 6, 7) Please find the revised installation guide attached for your review.
- 4) Please find the revised report (on page 14) attached for your review.
- 5) We remeasured the band edge, and have it attached for your review.

I hope the supplementary satisfy all your requirement for reviewing this project, if you have further question, please feel free to let me know.

Thanks & Best regards,

Julia Chu ^__^
