Request for Confidentiality

Pursuant to 47 CFR 0.457(d) and 47 CFR 0.459 of the FCC Rules, Commerciant L.P. and Wavecom Inc. hereby request confidentiality of the Block Diagram(s), Schematic Diagram(s), Operational Description, Parts List and Tune-Up Procedure attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product in which Commerciant L.P. and Wavecom Inc. consider proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Commerciant L.P. and Wavecom Inc. consider this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.
