FCC ID : QXO-AP3020

To Whom It May Concern:

Please be advised that this product is designed and marketed as a wireless access point. Its primary function is to provide wireless connectivity within a local area network (LAN). The device operates solely in bridge mode and does not implement any Layer 3 routing functionality.

Therefore, this product shall be classified as a wireless access point rather than a router and is appropriate for FCC certification under the applicable rules for intentional radiators without routing functionality.

Respectfully,
